Midsun Junior High Students Volunteer Because...

I like to volunteer and I think this program would be fun and interesting- I also like working with older people... Also, this will give me the volunteer hours I need for leadership and it will help me learn about the places the seniors come from.

I hope to gain experience, meet new people, gain some new skills, learn new things, help out, make the seniors feel loved, get some help on leadership hours, but most of all – have fun!
