

Intergenerational Program Management & Skills Training Seminar

Provided in partnership with LINKages Society of Alberta
And Rural Alberta's Development Fund

WORKSHOP OUTLINE

1. Introduction and Overview of Intergenerational Programming (IGP)
2. Recruiting Youth and Seniors
3. Engaging Care Centres, Schools and other IGP partners
4. Volunteer Training, Management and Ongoing Participant Support
5. Activities and Resources suitable for Intergenerational Relationships
6. Evaluating your Program

This is an interactive, 7-hour workshop, which will enable the future IGP provider to feel confident in organizing all aspects of a successful program. Participants will receive a Comprehensive Training and Resource Guide along with samples of additional program tools.
